

# 14 websites to Find an English- Speaking Job in Finland

# 1. LinkedIn

That's one of the first places for job hunting for English-speaking jobs.

# 2. Jobly (Monster.fi.)

It is ranked as the second most visited job and career website in Finland.

### **3. Duunitori**

Even though the website is in Finnish, they're also listings in English.

### **4. The Hub**

This platform focuses on the Nordics and mostly start-ups.

## **5. Meet Frank**

MeetFrank is a headhunting app for remote jobs with free profile creation.

## **6. Work in Finland**

Work in Finland is a job portal with English-speaking jobs.

## 7. Indeed

You can also check a company's revenue and read employees' reviews.

## 8. Glassdoor

Great for researching potentially toxic work environments.

## **9. The Shortcut**

The Shorcut's Talent Community program is a talent pool.

## **10. Startup Refugees**

Startup Refugees connect immigrants with local businesses.

## **11. Herizon**

Their focus is to diversify the tech industry with more female employees.

## **12. International hub**

Organised by Finnish cities, giving advice on job hunting.

## **13. Spouse Program**

Helping immigrants to  
“restart” their careers in a  
new country.

## **14. Communities**

Facebook groups, Slack  
or Discord servers or  
LinkedIn pages.
